Legislative Chair Doug Roberts.

Meeting Called to order by President Carey Frazier

Roll Call of Officers by Secretary Vivian Fivecoat a quorum being present

President Carey Frazier stated his vision / mission for Tennessee Federation of NARFE for the coming year would be as follows:

- 1- Retention President Frazier stated that his feelings were that due to the continual loss of members that chapters should focus retention, retention and that chapters should put their efforts into capturing lost members
- 2- Membership President Frazier stated that NARFE continues to loose members and Tennessee Federation continues to close chapters and that his emphasis was on membership.
- 3- Legislative President Frazier stated it was his felling that since GPO/WEP and other off sets had been on the table for the last 20 years with congressional action and since there was little hope of new legislation addressing NARFE issues that they should be taken off the table and that his emphasis would be on retention and membership.

There being no further discussion the meeting adjourned.

Due to the resignation of the recording secretary and none being appointed at convention these minutes are submitted by Vivian Fivecoat, Federation Secretary 22 August 2008
