Current members will be billed for chapter dues in the usual cycle and are not required to submit them with the Life Membership application.

Failure to maintain chapter membership will result in a loss of chapter voting privileges.

For New Members

NARFE is committed to preserving federal retirement benefits for all civilian employees and retirees. NARFE is the only organization whose primary purpose is protecting federal retirement benefits by helping to secure the future for those who dedicate all or part of their careers to federal service.

Membership is open to civilians who are or will be eligible to receive an annuity or survivor annuity from the federal retirement programs of any agency of the U.S. government and the District of Columbia*, including:

- Retirees
- Active employees
- Spouses, and surviving spouses of those eligible to join NARFE
- Former employees
- A former spouse who is legally entitled to a federal survivor annuity.

* Prior to October 1, 1987

Chapter dues are set by each chapter and range from \$2 to \$24 per year. In the National Life Membership program, only the national dues are paid for life. Chapter dues are paid annually, or up to three years in advance, unless otherwise specified by the individual chapter.

For Current Members

- **Annual Members** If you are a current member who pays chapter and national dues annually, you will continue to be billed by the National Office for annual chapter dues at the rate established by your chapter.
- **Dues Withholding Members** If your dues are currently withheld by the U.S. Office of Personnel Management from your annuity check, the dues withholding will stop 60 to 90 days after your Life Membership is processed. You will be billed for annual chapter dues, at the rate established by your chapter, on your renewal date.
- **Members-at-Large** If you joined NARFE before January 1, 1989, as a "national-only" member, you are not required to join a chapter.
